

01. Trust one another.
02. Consider friendship sacred.
03. Pick up the slack when it's your turn.

25. Move your body.
26. Let the work feel like play.
27. Take action, even in small measures.

How

to

04. Sit down. Drink tea.
Talk about ideas.
05. Follow what excites you.
06. Make space for individual processes.
07. Be honest.
08. Be kind.
09. Be brave.
10. Make the things you're
scared to create.
11. Be okay with failing together.
12. Keep asking questions.
13. Let the work wax and wane.
14. Lean on one another.
15. Don't let the little
shit trip you up.
16. Say your ideas out loud, even
when they're not fully formed.
17. Change your process.
18. Take risks.
19. Give compliments freely.
20. Listen.
21. Keep the conversation going:
the substance is in the dialogue.
22. Set deadlines.
23. Hold each other accountable.
24. Be transparent.

28. Let it be organic.
29. Guide one another.
30. Go for a walk.
31. Define your values together.

keep going

A collaborator's guide

32. Try something new.
33. Take notes.
34. Ask for observations
about your work.
35. Be vulnerable.
36. Share your epiphanies.
37. Do the work; it inspires more work.
38. Celebrate.
